"Those who die in God's grace and friendship live forever with Christ. Heaven is not an abstract idea, but a true and lasting relationship with God that is beyond all earthly description and understanding. We look forward to the resurrection of the dead and the everlasting life by preparing now, in hope, for our passage from this life to eternal life."

"Catholic Considerations for Our Earthly Passing"

A big Thank You to Joe Cigolotti for donating flowers and mulch for our parish office.

**Easter Sunday  
Weekend of April 20-21, 2019**

In today's first reading from the Acts of the Apostles, Peter boldly offers his testimony to the risen Christ. He shared with the crowds what he himself witnessed: Jesus' friendship, healing, and forgiveness. Peter proclaims a resurrected life that brings hope. The Christian life is, indeed, a resurrected life. It is new life, one of truth, inner joy, and genuine fulfillment.

God has transformed our lives for all eternity, and that transformation is what it means to be a Christian. Do you know the resurrected life? Have you genuinely experienced it? Good stewards have, and in their joy, they are committed, like Peter, to offering their own witness. It is time to rejoice.

Christ the Lord is risen today! Alleluia!

**Religious Education Bible Studies**
