“Jesus, Lord of Life, transform the hearts of all elected leaders to recognize that infanticide is wrong and must not be tolerated. Open hearts and minds to recognize and defend the precious gift of every human life.”

**Third Sunday of Easter
Weekend of May 4-5, 2019**

This weekend's Gospel reading from John enjoys a number of themes not least of which has to do with hearing Christ's call to live differently but returning to our "comfort zones". Even after seeing the risen Lord and receiving his blessing and missionary charge, his disciples go back to what they were doing before Jesus first called them. Instead of continuing Jesus' ministry, they return to the life they knew. When faced with the choice between embarking on a new way of life or staying where life is familiar and comfortable, they chose the latter. Good stewards know that Christ has called them to open their hearts and live in a different way. How often do we retreat from the Lord's call so that we may remain with what is comfortable and familiar?

Congrats to all our First Communicants. God Bless You!

It is with a sad heart that I am leaving St. Mary's for a full-time/year round position in Florida as Director of Recreation within our community. I have been abundantly blessed to call St. Mary's my "home" for the past twelve years. I am so very appreciative to Fr. Steve, the staff, and parishioners for your support and love. St. Mary's will always be special in my heart and always in my prayers. I am not saying goodbye, as I plan to visit and remain in touch – and if you are ever in Florida, remember to look us up.
