

## Our Lady of Mount Carmel Parish Sesquicentennial

Dates: July 27<sup>th</sup> & 28<sup>th</sup>, 2019

For the past one hundred fifty years, Our Lady of Mount Carmel Parish has been a worshipping community of Catholic faith. Our church's inception that began 150 years ago to the present is worthy of a grand celebration.

On March 7<sup>th</sup> a group of volunteers (150 Master Committee), met to discuss what our parish communities' 150<sup>th</sup> anniversary celebration would/could look like and what would be required to accomplish some of those ideas.

From that meeting the following subcommittees were suggested:

- **Historical**
- **Parade**
- **Beer garden**
- **Food**
- **Adult gaming**
- **Advertising/Marketing**
- **Fundraising**
- **Entertainment**
- **Kids games**

We encourage you to volunteer your time and talent to become a member of one of the above committees. These committees will be responsible for gathering ideas and planning to help make the event a success.

While this celebration is a church centered event, it is also a community event. We realize that there are others outside the Catholic faith that are part of our great community and we want to include you as well, to help us celebrate the history of Mt. Carmel. All are welcome to participate and celebrate. Part of the ministry of history is the realization that everyone is a part of the story. The story of our church and our community is the shared story of all its people.

On July 27<sup>th</sup>, 2019, we are hoping to hold a celebration that will include not only our local community, but other communities beyond. This will include a parade, games, food, exhibits etc.

On July 28<sup>th</sup>, 2019 will be a special mass with Bishop Nickless, followed by a parish dinner in the parish hall.
