## *From the Pastor...*

I was away most of this week tending to our dear Mother. As you may remember she was in the hospital at the time of our Dad's wake and funeral. Sad that she missed the funeral. The doctor at Claxton Hepburn hospital said it was best for her to stay in the hospital at that time.

The rehabilitation has been this week at River Hospital in Alexandria Bay. Her room looks out to Bolt Castle and she is able to watch the ships go by on the St. Lawrence River. We have known her physical therapist for several years. The funniest girl at the hospital. She is walking with Mom and does exercises with her. She may get out next week.

The next plan is to move her in with my twin, Fr. Bob at St. Paul's Black River. His rectory is on one level. She will need 24 hour care. Fr. Bob and I will make it happen. She hated the nursing home. The reason she stayed was that our Dad needed the care. She told me the day she left the nursing home would be the happiest day of her life. Fr. Bob and I wheeled her out of the nursing home 30 April 2018. It was the happiest day of her life.

**CATHOLIC HOME MISSIONS APPEAL**

Next week, we will take up the Catholic Home Missions Appeal. Right now, over 40 percent of dioceses in the US are considered home mission territory because they are unable to fund the essential pastoral work in their communities. We, as the Diocese of Ogdensburg, can support this appeal and ease the struggle of these dioceses. Please prayerfully consider how you can support the broader American Church. More information can be found at [www.usccb.org/home-missions](http://www.usccb.org/home-missions).
