An Adult Retreat Program

2018-2019

"On that same day, two of them were going to a village named Emmaus. They were talking to each other about all the things that had happened. And as they talked and discussed, Jesus drew near and walked with them." Luke 24: 13-15

What is Emmaus?

Emmaus is a weekend retreat program for people ages 20 & up who are seeking to grow in their relationship with Christ, regardless of their present level of faith and practice. The purpose of the weekend is to give adults an opportunity to reflect upon themselves and their relationship with God and their community. Emmaus is a Catholic retreat program that is open to people of all Christian faiths.

Emmaus provides its participants with the opportunity to experience and share their faith journeys in a loving community. Time is set aside during the weekend for personal reflection concerning one's life, one's world and one's God.

How Did Emmaus Begin?

The Emmaus Program was started in the early 1970s by a group of lay people, with the help of the Sacred Hearts Fathers. They saw a need for the Church to reach out to young adults. They wanted to share how important Christ has been in their lives. Today, the Emmaus Program continues to meet this need by bringing Christ into the lives of young people. The Program is endorsed by the Diocese of Fall River and under the leadership of various lay and religious women and men.

To date, over 3,000 women and men have begun, renewed, or deepened their relationship with Jesus Christ through Emmaus.
