Dear Families,

I hope all is well. I am sure your child is counting down the days to summer, but I wish kids could stay with us longer. Your children are such a blessing. I am humbled each and every day that I get the privilege of supporting and working with such an amazing community. Thank you for your continued support. There are four important updates to share.

Red Folders:

- Please make sure you send back your red folder. We will NOT send red folders home in June.

Field Day:

- Please send in \$10 for your child by June 4th. The fee covers a catered lunch, water, and t-shirt.
- Apply sunblock before school and feel free to send extra with your child.
- You can wear a hat for extra protection from the sun
- Bring a bottle of water
- Bring a towel to sit on the grass
- Students in Prek3 and UPK will meet us at the location.
- Students in K to 8th will travel with their teachers.
- Permission slips will come home on Friday. Please return with the \$10 by Wednesday June 5th.

Students MUST be able to carry their own items, so please be mindful of this while packing their bags

Uniform ordering:

- The uniform ordering form is attached. Please fill out and send the completed form with your child on June 5th. If you order uniforms on June 5th shipping will be waived.
- The school negotiated a 10% discount for all uniforms ordered by September 5th. The discount is already applied to the price listed.

End of year updates:

- UPK will have their last day on June 20th.
- Due to the lack of snow days (we budgeted multiple snow days and only used 1) the last day of school for PreK3 and K to 8th will be June 18th. June 18th will be a full day.
 - 8th grade graduation is June 17th at 5 PM
 - K graduation is June 18th at 10 AM

Thank you,

Matthew Bull
