

PreK 3 News: Week of October 16th

This Week's Highlights

We are excited to begin a new unit on The Five Senses. The children will be exploring the world around them. We will begin with the sense of sight. We will take a nature walk around the school to see what we can discover with our eyes! We will send home a permission slip for the walk. Please sign and return immediately. Thanks!

Reminders and Upcoming Events

There will be no school on Thursday, October 19th due to a teacher's conference. There will be an early dismissal on Friday, October 20th at 11:30 a.m. due to a teacher's meeting. Please make sure to send in a wallet size photo of your child if you have not already done so. We are using the photos for a name recognition activity and several children still do not have photos. If you would like to send in a family photo, we can tape it in your child's cubby. (This may be comforting for them). Please return sheets on Monday to be used for rest time. Also, please make sure all items are labeled with your child's name including sweatshirts & jackets.

Centers

- Science- The children will create binoculars from towel rolls to explore on a nature walk.
- Art- The children will make designs or patterns with paint.
- Library- The children will be listening to stories about the five senses.
- Writing- The children will try to write a letter with shaving cream on the table.
- Math- The children will be counting apples on a stick and matching with the correct number on a clothes pin.
- Dramatic Play- The children will explore how we use our senses when eating and cooking.
- Sensory Table- The children will explore fall items such as pinecones and pumpkins.
