GREAT WORK

The United States Postal Service's Annual Food Drive conducted on May 12 2018 was a huge success collecting over 1800 pounds of needed food for A.C.T.S. The Director and Volunteers of A.C.T.S. would like to offer our sincere appreciation to the Post Master and employees of the Tallassee Post Office and also to the Community for supporting A.C.T.S. in this manner. "Tallassee is a Great Place to Live".

The staff of A.C.T.S. would like to thank BSA Troop 59 for the Food Drive they conducted on May 12, 2018. During this drive Troop 59 collected 366 pounds of needed food and monetary donations in the amount of \$137.88.

Food Drives of this nature helps to reduce the food cost at A.C.T.S. allowing additional funds to assist more individuals with utilities.

Some of the Tangerine Dream Team TRIBE Members from First Baptist Church provided assistance to A.C.T.S in June by sorting, checking expiration dates, and shelving ALL packaged and canned food items collected during the United States Postal Service Annual Food Drive. We sincerely thank these young people for their dedication, hard work, and willingness to give back to their community.

A.C.T.S. would like to thank the boys and girls at Westside Independent Baptist Church for the Food Drive they conducted during Vacation Bible School 2018. During their drive these young people collected over 1200 items of canned and packaged non-perishable food items. Thank you and your teachers for your hard work!

The Youth from Westside Independent Baptist Church gave of their time on a Friday evening to deliver and store the food collected during their church's VBS Food Drive. We sincerely thank these young people for their dedication, hard work, and willingness to give back to their community.
