**FROM THE PASTOR'S DESK**

The Bishop's Annual Appeal is coming to a close. I am most grateful for the contribution from 219 parish households which have enabled us to reach 64% of our assigned goal of \$65,000.

Our participation in the Bishop's Appeal helps to support Catholic Charities, the education of our seminarians, our Catholic schools system and a variety of ministries that support parish life.

If you have not made a contribution, would you please consider doing whatever you can to help our bishop realize the mission of our Diocese.

God bless you,  
Father Carina

**CHOOSE LIFE**

Defending a cystic fibrosis child's right to life despite the disease's life-shortening effects, the mother of two children with the disease astutely observed. "People are not born with expiration dates tattooed on their feet. No one knows how long any of us has on this earth." Furthermore, "our society has become prejudiced against people who are perceived as disabled in any way, and they are deemed unworthy of the investment of love and resources. The value of human beings exists not in how much money they have or in their physical beauty, or their social standing. We must value every life because it is unique and irreplaceable." National Review Online, 12/11/17.
