BOXED ENVELOPES

We will soon be in the process of preparing our year 2019 **boxed envelopes for registered parishioners.** You must be registered to receive envelopes. If you did not use your 2018 envelopes a minimum of 10 times during the past year, envelopes will not be reissued to you. Besides assisting with the regular financial support of your parish, your usage of envelopes also helps record your Mass attendance. This, in turn, helps the pastor to better verify your level of commitment to the parish when requesting sponsorship certificates. Participation in the envelope system is also necessary for the parish office to be able to issue statements for IRS purposes.

TREATING THE PAIN OF SEPARATION

Among loved ones, perhaps no word contains more sadness than the word "separation." When someone we love is away, we begin to miss that person almost immediately. Even death is the final separation. Jesus came to tell us that, in him, any painful situation is temporary and will pass away but the joy and security found in God are eternal. He calls us to entrust ourselves to God to bring together all the fragments of friendships and separations of our lives. If you, or someone you know would like to hear more about Jesus and about the promises he extends to us, we invite you to join us at an Inquiry Session. Inquiry Sessions DO NOT assume a commitment to join the Catholic Faith family. Inquiry Sessions are opportunities to ask questions about God, Jesus, the Catholic Faith Family. All who are unbaptized, baptized into another faith denomination, or baptized Catholic but have not received Eucharist or Confirmation, are invited. Inquiry Sessions are for those who wish to inquire, explore and search for ways to grow in relationship with God. For more information call Pat Corbitt, RCIA, at 732-566-9334.

Vote expected on NJ Assisted Suicide Bill Action Required!

On Monday, October 29, 2018, the New Jersey General Assembly very likely will vote on the Aid in Dying for the Terminally Ill Act (A1504). The bill would allow physicians to prescribe drugs to end the lives of terminally ill individuals considered to have six months to live.

The facts are clear –in California, in Vermont and in Oregon – states that have passed assisted suicide bills – insurance companies have denied individuals expensive healthcare coverage but offered them low cost drugs to end their life.

In an era of cost control and managed care, patients with lingering illnesses may be branded as a financial liability by the insurance company, and decisions to encourage death could be driven by reducing costs.

Please contact your state legislators and tell them that you oppose A1504.
