PARISH COUNCIL

We are working on three initiatives: (1) A Welcoming Committee. This committee collects contacts of new parishioners and sends them invitations to a breakfast in order to welcome them. This committee is also (2) updating information on all Parish activities in order to print a Parish Directory for new and current parishioners. A third venture is to constitute the council's membership which has three categories: (a) ex-office members, (b) elected members, and (c) representatives from major Parish organizations. The council is about to nominate its officers for the coming year: President, Vice President and Secretary.

"WHAT AILS MODERN SOCIETY"

"What ails modern society is the separation of the spiritual from the material.

When religion has nothing to do with education, education is only information; plenty of facts, but no understanding.

When religion has nothing to do with politics, politics is only factionalism: 'Let's turn the rascals out so our good friends can get in.'

When religion has nothing to do with business, business is only commercialism: 'Lets get what we can while the getting is good.'"

Peter Maurin
