· STUDENT AMBASSADORS PROGRAM

The Student Ambassador Program is a group of students who will represent St. John Paul II (SJPII) at school, Archdiocesan, community, and civic events. As an Ambassador, students will have opportunities to participate in activities that provide leadership experience such as visiting Catholic middle schools, serving as tour guides, and hosting special events on campus to aid in the outreach and recruitment of students.

Anyone interested in being an Ambassador should submit an application to the front office no later than Tuesday, 31 January 2017.
