

ON *the* WAY ¡ÁNDALE!

A CAMPAIGN OF THE
ARCHDIOCESE OF SAN ANTONIO

**BUILDING A HOME for
JOHN PAUL II**

March 1, 2018

Dear Friends of St. John Paul II Catholic High School,

We are ready to finish building our home for John Paul II. For the last nine years, students, teachers, parents, coaches, friends, and donors have established a secure foundation for our school, built on our four core virtues of humility, faith, courage, and love. Now, it is time to build the full home for John Paul II, into the second decade of our school's life. Our school and our kids are worthy of this effort and this groundbreaking campaign, ***On the Way - Ándale! Building a Home for John Paul II.***

Our campaign is part of the larger ***On the Way - Ándale! Archdiocesan Campaign*** and as such, our school has been gifted from that campaign with a challenge grant, promising a matching dollar for every dollar we raise up to \$1.6 million! This is an incredible opportunity for your pledge to have twice the impact and for us to come together as a school family within our archdiocese to make a real difference at John Paul II Catholic High School -- for our children, grandchildren, and generations to come! 100% of your donation to ***On the Way - Ándale! Building a Home for John Paul II*** will come directly to the school.

For our campaign to be successful and in order to respond faithfully to our Lord, we need a generous gift — even a sacrificial gift — from everyone. For this reason, I am asking you to consider prayerfully what a sacrificial pledge, to be paid over three years, may mean to you.

Please review the information provided here on the campaign website. I invite you to make your pledge online in support of this historic opportunity for our school. If you prefer to send in a pledge card or donation via mail, there is a pledge form on the website to print and mail. **Thank you** for your ongoing support of **St. John Paul II Catholic High School** and the Archdiocese of San Antonio.

I am ready to build to honor our alumni and current and future Guardians; I hope and pray you are, too.

Sincerely yours in Christ Jesus, our Lord,

Mr. Andrew Iliff
Principal

HONORARY CHAIRS

Rev. Dennis Darilek
