

Celebrate Catholic Schools Week 2019

January 27 - February 2
#CSW19

Catholic Schools Mass

Thank you to all our families who celebrated with us on Sunday! What a wonderful beginning to a great week. Thank you to our Boys & Girl Scouts who generously provided donut & coffee!

Celebrating Our Students Math Baseball – Hot Dog Lunch

Mrs. Silva and Mrs. Groves provided the most amazing hot dog lunch ever!!

Thank you Mrs. Johansen and Mrs. Simrell for organizing our Cougar Math Baseball event!!

Celebrating Vocations

Father Jason stopped by to help us celebrate our CATHOLIC FAITH, FAMILY & COMMUNITY!! Father enjoyed many scholarly questions from Mrs. Hood's 2nd grade class, spent time visiting other classes throughout the day and assisted one of our third grade students, Andrew, as he prepares for his position as our community Priest, in Mrs. Skidmore and Ms. Torres' Boxville activity. This amazing hand on activity began today with a special visit by our Albuquerque Mayor, Tim Keller, who helped swear in our own Mayor Sophia of Box York City.

Celebrating Faculty & Staff

Thank you to all our wonderful parents for the many thoughtful gifts provided to our teachers. Several parents also provided their time supervising our student, allowing our teachers to have extra time to enjoy their special lunch, which was provided by our Home & School Association!!

Faculty vs 8th Grade Students – volleyball game

Our entire school enjoyed an amazing afternoon watching our 8th graders challenge our staff in a friendly game of volleyball. Our 8th graders won the game demonstrating great sportsmanship! Mrs. Hood was voted our Most Valuable Player by all!

Celebrating Our Community

We concluded Catholic Schools Week with events that focused on building our school family, our faith and serving our community. Our philosophy challenges students to improve the world by sharing and living Gospel values. We collected cans for the Roadrunner Food Bank and socks for the Bread & Blessings while having fun at our World Series Math Baseball and our Sock Hop.

“Catholic schools offer academic excellence and faith-filled education for students nationwide. National test scores, high school graduation rates, college attendance and other data show that Catholic schools frequently outperform schools in both the public and private sectors.”
