RESPECT LIFE

This weekend January 26/27 is the annual Respect Life Collection. Last year twenty-one grants were awarded which benefited those working to build a Culture of Life in our diocese. It's important with this year's legislative climate that we provide alternatives to abortion and help to educate the next generation. The collection provided funds for 7 Gabriel Projects, Plattsburgh Crisis Pregnancy Center, Birthright, Right to Life affiliates, 4 pilgrimages to the DC March for Life (two high school, one college and one family bus), 3 Pro-Life County Fair Booths as well as other pro-life efforts.

CHRISTMAS POINSETTIAS

Soon you will see the "not so good" poinsettias pulled from the altars and placed in the back of church. If you see them on the floor, they are yours for the taking.

ENVELOPE USERS

The 2018 end of year Financial Statements will soon be available to envelope users. Please call the parish office to have your name placed on the list.

IT IS IMPORTANT TO BELONG

It is good for everyone to have a sense of belonging...some place to call your own. It is good to belong to a parish...to have a church to call your own. Possibly you have been coming to St. Mary's for some time and never actually joined or registered. If you do not receive mailings, it may indicate we do not have your correct address or that you may not be registered.

If you would like to call St. Mary's your parish, please call the parish office or take a census card located on the radiator covers and the back table and simply fill it in an return it to us. You may also email the office at churchofstmary@yahoo.com.

REMINDERS DURING FLU SEASON

+ Parishioners should not share the sign of peace if feeling ill.

+ It is recommended that parishioners receive Communion in the hand. Communion on the tongue does present hygienic problems during flu season.

+ Hand sanitizers are available on the radiator covers for use by parishioners.

REPRODUCTIVE HEALTH ACT FACT SHEET: Codifying Roe V Wade Myth...

The NYS Catholic Conference has provided a fact sheet explaining why the proposed Reproductive Health Act is not merely codifying Roe V Wade. RHA must be examined not only for what it would newly enact into law, but also for what it would repeal from current law. Please contact your representative soon. The Senate plans to pass it quickly in 2019. For more information see: <https://www.nyscatholic.org/2018/01/abortionexpansion/> and <https://www.rcdony.org/pro-life.html>

Environmental Stewardship

This month in the U. S. has been designated as National Slavery and Human Trafficking Prevention Month. Did you know that some of the effects of change in climate, i.e. more frequent tornadoes, hurricanes, floods, rising sea levels, increase the number of people at risk of being for trafficked for sex or labor? In June 2014, the number of refugees worldwide exceeded 50 million children, women and men. Half of these refugees are children who get separated from their families during disasters. Source: "Human Trafficking and Environmental Refugees" Catholic Sisters Against Human Trafficking. Choosing one way to lower your carbon footprint like carpooling, combining trips etc. can have a ripple effect on reducing the causes of the change in climate. i.e. use less gasoline this week.
