

Dear Holy Rosary School Families,

UPDATE

*HONORS ASSEMBLY this Tuesday! Please see the times below and join us as we congratulate our students for their fine efforts during the second quarter!

* READ Alliance, our annual Spring tutoring program for grades K, 1, 2 begins on 2/25. Letters will be sent home this week for students who qualify to participate. Please be sure to return this letter ASAP to secure your child's place.

*While it may be hard to think of our next school year when we are only half way though our current one, the Archdiocese of NY has begun the re-registration process. Information on tuition rates/fees for the 2019-2020 year was received from the Regional Office and sent home via email and backpack letter this week. All families were also notified by the Regional Office through a TADS email with specific directions. Please contact the school office if you did not receive this email.

Please be sure to begin the re-registration process following the indicated timeline to ensure your child's place for next school year. Our current families always receive first preference for current students and any siblings. After the re-registration deadline, new families are permitted to complete the registration process for any remaining places available.

***COMING SOON**

Our annual Science Fair is scheduled for 2/21. Please mark your calendars! Families will be able to visit from 2:30pm-6pm on that day and then from 8am-1pm on 2/22.

FEBRUARY DATES

- *12th Honors Assembly - 9am grades 1-4
10am grades 5-8
- *15th Early dismissal grades K-8
- *18th/19th School closed – Presidents' Day break
- *21st HRS Science Fair

REMINDERS

*Holy Rosary School's Annual Science Fair will take place on February 21st for students in grades 1-8. We always encourage our students to participate in this annual event as an opportunity to demonstrate their skills and creativity. Winners from each grade level move on to represent HRS at the Annual Bronx Catholic Science Fair competition which is held each March among all 50 Bronx Catholic Schools.

Science Fair participation in grades 1- 3 is optional and MANDATORY for students in grades 4-8. In alignment with Common Core Standards, group projects are strongly encouraged in all grade levels. Students should fill out the entry form and return to school by January 17th. The Science Fair project grade in these grade levels will be reflected in the 3rd quarter report card.

Feb 10, 2019

Holy Rosary School

Family Update

* On inclement weather days, grades Prek, K and 1 will now dismiss from the CAFETERIA. This location change should help maintain better security and allow for a smoother dismissal of these grades.

Enjoy the rest of the weekend.

God bless,

Mrs. Fusco
