(718) 515-9872 (fax)

Dear Holy Rosary School Families,

This morning there was a verbal incident that occurred off-premises involving two of our students. As a result of information that came to light during my review of the incident, police were in the school building this afternoon before dismissal to assure the safety of our students and to confirm that there was no threat to the school.

Please know that student safety is always our primary concern and at no time was our school community in any danger.

Please do not hesitate to contact me with any concerns

Sincerely,

Mrs. Maryann Fusco
Principal
