FATHER'S REFLECTION: 2nd Sunday of Ordinary Time

When we celebrate the baptism of Christ, we also celebrate our baptisms as Christians. Without Christ, we could not have been Christians. Through His baptism, He indicated His intention to be a part of the society, but as a change agent of the society. In our own baptism, we are also counted as among those who have decided to share in the life of God and be change agents of our society.

Fr. Leo Ahanotu
