SEVENTEENTH SUNDAY IN ORDINARY TIME JULY 29, 2018

Scripture: John 6:1-15

After this Jesus went to the other side of the Sea of Galilee, which is the Sea of Tiberias. And a multitude followed him, because they saw the signs which he did on those who were diseased. Jesus went up on the mountain, and there sat down with his disciples. Now the Passover, the feast of the Jews, was at hand. Lifting up his eyes, then, and seeing that a multitude was coming to him, Jesus said to Philip, "How are we to buy bread, so that these people may eat?" This he said to test him, for he himself knew what he would do. Philip answered him, "Two hundred denarii would not buy enough bread for each of them to get a little." One of his disciples, Andrew, Simon Peter's brother, said to him, "There is a lad here who has five barley loaves and two fish; but what are they among so many?" Jesus said, "Make the people sit down." Now there was much grass in the place; so the men sat down, in number about five thousand. Jesus then took the loaves, and when he had given thanks, he distributed them to those who were seated; so also the fish, as much as they wanted. And when they had eaten their fill, he told his disciples, "Gather up the fragments left over, that nothing may be lost." So they gathered them up and filled twelve baskets with fragments from the five barley loaves, left by those who had eaten. When the people saw the sign which he had done, they said, "This is indeed the prophet who is to come into the world!" Perceiving then that they were about to come and take him by force to make him king, Jesus withdrew again to the mountain by himself.

Meditation: Can anything on this earth truly satisfy the deepest longing and hunger we experience for God? A great multitude had gathered to hear Jesus, no doubt because they were hungry for the word of life. Jesus' disciples wanted to send them away at the end of the day because they did not have the resources to feed them. They even complained how much money it would take to feed such a large crowd - at least six month's wages! Jesus, the Bread of Life, took the little they had - five loaves and two fish - and giving thanks to his heavenly Father, distributed to all until they were satisfied of their hunger.

CCIE is seeking a family to host a foreign exchange student from Germany: Gabriele Sandro is a 15 year old boy from GERMANY. I would describe me as a calm and friendly person, who wishes the best for others and likes to be happy. I am that kind of person, who wants to complete everything properly and likes to stay with the family. I don't know if someone else would say the same about me but I hope so. After school usually I do my homework and take part at several activities like tennis, singing in choir, piano lesson and athletics. If there is enough time I read books and draw. During winter I often go skiing and during summer I go waterskiing or horseback riding. I am Catholic, go to church regularly and I'm an active altar boy. My mother comes from Italy and this is why I love the Italian culture, food and Italy itself. I am not only interested in the Italian culture, but in the culture of other countries, too. This is why I have participated at an exchange program with a school in Greece (after an exchange program with a school in Italy). It was great and very interesting and now this experiences are big motivations to come to USA. GPA: 3.90. **Please call Anita Sass 913-963-3009 for further information as soon as possible, he needs a place to stay!**

REFLECTION:

The *One Faith, One Family, One Future in Christ* campaign is a capital campaign to raise \$65 million. The campaign proposes to embolden our desire and strengthen our ability to share our faith in our parishes, schools and communities. New and increased resources will allow us to better care for our priests in retirement and also honor and care for the elderly, who have passed on their faith to us.

Additional funds will address immediate needs for the care of and improvements to Church property, as we seek to be conscientious stewards of buildings inherited from earlier generations of the Catholic community.

Your support will help us reach out, as one family of faith, to people throughout our community. Your involvement in this campaign will help ensure that the Church in Northeast Kansas remains a place of joy, harmony, mutual care and concern for all of our brothers and sisters in Christ.

MARRIAGE MINUTE

Are you running low? Sometimes it feels like there's just not enough. For most of us, time, money, and energy are precious commodities that we spend carefully. When we hear someone suggest that we should invest in our marriage by attending marriage enrichment, we can feel like the apostles in this weekend's readings. We simply don't have "enough" to make it happen!

The apostles gave what they did have to feeding the crowd, and Jesus multiplied their efforts. The same happens when we invest our capital into being more in love with our spouse.

- Less energy is spent on fighting and hurt feelings.
- We make better decisions because we are connected as a couple.
- We are better parents, and our love overflows onto the children.
