THIRTY-SECOND SUNDAY IN ORDINARY TIME November 11, 2018

"This poor widow has put in more than the rest"

Scripture: Mark 12:38-44

And in his teaching he said, "Beware of the scribes, who like to go about in long robes, and to have salutations in the market places and the best seats in the synagogues and the places of honor at feasts, who devour widows' houses and for a pretense make long prayers. They will receive the greater condemnation." And he sat down opposite the treasury, and watched the multitude putting money into the treasury. Many rich people put in large sums. And a poor widow came, and put in two copper coins, which make a penny. And he called his disciples to him, and said to them, "Truly, I say to you, this poor widow has put in more than all those who are contributing to the treasury. For they all contributed out of their abundance; but she out of her poverty has put in everything she had, her whole living."

Meditation: What is true religion and devotion to God? Jesus warns his disciples against the wrong kind of religion. In his denunciation of the scribes (the religious experts of his day), he warns against three things: the desire for prominence and first place of honor rather than lowly service for the benefit of others; the desire for deference and recognition (and seeking esteem from others) rather than seeking to promote the good of others through humble service and selfless care for others; and thirdly, attempting to use one's position (even a religious position) for self-gain and self-advancement. True religion is relating rightly to God and to one's neighbor with love, honor, and respect. The Lord puts his Holy Spirit within us that we may be filled with the joy of his presence, the joy of true worship, and the joy of selfless giving and love for others. True reverence for God frees the heart to give liberally, both to God and to neighbor.

Love is more precious than gold or silver

*Jesus taught his disciples a dramatic lesson in generous giving with love and devotion. Love doesn't calculate - it spends lavishly! Jesus drove this point home to his disciples while sitting in the temple and observing people offering their tithes. Jesus praised a poor widow who gave the smallest of coins in contrast with the rich who gave greater sums. How can someone in poverty give more than someone who has ample means? Jesus' answer is very simple – love is more precious than gold!
Real giving comes from a heart full of gratitude.*

REFLECTION

To Know the Truth, Search for the Truth. And you will find the Truth in Jesus. If you find Him, accept Him and then follow Him. Then you are safe. The Truth Jesus shared/ revealed was simple: Love your God with all your heart and love your neighbor as yourself.

Have the courage to follow! Once we find the truth we should have the courage to accept and follow the truth!

Someone told, Christ spent his years answering the question "who is my Neighbor?" by his own deeds. Mother Teresa could also find this great truth or the example Jesus set. She too became a Christ in miniature!

Let us search for the Truth, find Him, God is not a God who just resides in the skies. He comes, He comes, He ever comes! Let us search for Him, Find Him and Follow Him! And always remember God is Emmanuel- God is with Us!

MARRIAGE MINUTE

Like the widow, when we offer our spouse a small kindness from our limited stock, miracles often occur. Dr. Greg Popcak stresses "caretaking in conflict" as one of the hallmarks of a successful marriage. Next time you are arguing with your spouse:

- Hold hands
- Offer to bring him/her a drink or snack
- Avoid placing blame
- Use polite language

These difficult things pay off, and the miracle is that your spouse begins to believe that your relationship is more important than any issue that comes between you!
