Dear St. Paul Families,

Thank you, thank you, thank you! Awesome work everyone with this year's jog-a-thon. There was a great deal of grit shown on the track and with donations and pledges. It was terrific seeing so many parents, grandparents, family members, and friends on the track last Friday. We were blessed with a beautiful morning and there was great energy as our community joined together walking and running to support our school. We are also grateful for the support of former collegiate professional long-distance runner Luke Puskedra. It was fun having him with us and encouraging everyone to do their best.

As of today, we raised over \$20,000. Congratulations to our 8th grade students for finishing strong and winning the pool party for raising the most money as a class. Our 5th grade class was in a close second place and will have a pizza party next week for their efforts. Well done everyone! A special thank you to Mrs. Annie Posen, our Fundraising Coordinator, for organizing the event. Thank you to the many volunteers, sponsors, donors, students, and staff that supported the jog-a-thon.

I'm so proud of our seventh and eighth graders for hosting a terrific school carnival last Friday. I appreciated their creativity, enthusiasm, and leadership. Many thanks to everyone that joined in on the festivities. On behalf of the students that hosted the soda toss and cake

walk, thank you parents for bringing in many liters of soda and bakery items that kept those two booths busy throughout the afternoon. I think there were plenty of treats to be enjoyed by all. Money raised at the carnival is used to support student enrichment at our school and helps pay for things like field trips, busses, and special events. Thank you to everyone who was able to attend.

In closing today, this coming Monday brings an end to the school year for our eighth graders and their time at St. Paul. They are a wonderful group of students who have blessed our school community in so many different ways. It has been a privilege to watch them grow through the years and they will be greatly missed. They have stepped up this year to provide outstanding leadership, shown grit in their academic growth, and shared their many talents, especially in the performing arts, with all of us. Please pray for them that as these students move toward a new phase of life, where new forms of maturity will be expected, that they call upon the Spirit of God to strengthen them today and always.

On Monday night, we will celebrate the St. Paul Class of 2019. Please feel welcome to join us Monday evening at 6:30 for Mass and the reception that immediately follows. Most importantly, please keep the Class of 2019 in your prayers. May they always call St. Paul home and may they always know God and trust in Him in all that they do.

Next Thursday at 1:30, our 3rd and 7th grade students will host the final Mass of the school year. I welcome all of you to join us as we celebrate and wrap up another great year at St. Paul. At the end of Mass, we will also be thanking and saying goodbye to our preschool teacher, Mrs. Nowicki. She has been a wonderful teacher to our preschool students and a great asset to our school community. We wish her and her family all the best as they make their move to New Orleans for the next exciting chapter in their lives.

*In Christ's Peace,
Kelli Braud*
