IN LOVE: I seek a relationship with shared activities and interests. With my mate, I like to explore new ways to energize the relationship. I enjoy giving extravagant gifts that bring obvious joy to my loved one.

IN CHILDHOOD: Of all types of children, I had the most difficult time fitting into academic routine. I learn by doing and experiencing, rather than by listening and reading. I need physical involvement in the learning process and am motivated by my own natural competitive nature and sense of fun.
