Dear Parents,

Metairie Bank will be handling our tuition loans.

We need one "Tuition Information Sheet" to be completed by every family. You must list all your children attending St. Christopher for the 2019/2020 school year.

PARENTS THAT FINANCE TUITION WILL BE FINANCING THROUGH METAIRIE BANK. METAIRIE BANK WILL MAIL THE "BANK ACTIVATOR" TO YOUR HOME ON APRIL 1, 2019. THIS "BANK ACTIVATOR" MUST BE VERIFIED FOR CORRECT INFORMATION, SIGNED AND RETURNED TO THE SCHOOL OFFICE BY MONDAY, APRIL 8, 2019. A \$20.00 LATE CHARGE WILL BE ASSESSED IF NOT RETURNED TO THE SCHOOL OFFICE BY MONDAY, APRIL 8, 2019.

If you feel you qualify as a contributing parishioner of St. Christopher Parish, please contact the rectory. (In 2018 you had to contribute \$400 for one child or \$600 for two or more children.) If you qualify for Church support from another parish, please attach your voucher (white, pink and yellow copies) with your "Tuition Information Sheet."

If you plan to pay the tuition/fees directly to St. Christopher School (due by June 7) you must still complete the "Tuition Information Sheet" and turn in with your registration form.

Dear Parishioner:

I know there has been much confusion as it relates to the Neal Meitler study and its educational and financial impact on the Archdiocesan school system, as well as your family. In an attempt to clarify the Parish support fee, which appears to be the most sensitive issue at hand, let me offer the following:

**Eligibility Policy
For
School Financial Support**

We at St. Christopher Parish united with the Archdiocese's desire to offer financial assistance to parents with children in Catholic schools. Eligibility for school financial support is based on the following qualifications:

- (1) Registered - The family would have to be a registered member of St. Christopher Parish. This means that your family has been enrolled and completed the census form in our parish file.**

- (2) Active - To assist our parish in bringing Jesus to our community. This means that you participate in the regular activities of our parish (prayer activities, community building activities, socials, ministry groups, etc.). The minimum qualifications for active is attendance of mass on Sundays and Holydays of Obligation and participating in the life of our parish.**

- (3) Supporting - This means that you contribute regularly to the support of our parish by using our church support envelopes or check. We encourage you to be sufficiently committed to St. Christopher, as you realize that you have been blessed by faith with redemption and salvation in Jesus and you return to God the first fruits of your labor. While it is common knowledge that scripture invites us to give 10% to the Lord, we recognize the difficulties given the current economy and the cost of providing a Catholic education to your children. Our long term goal is to obtain a 4% tithe per family.**

The minimum contribution for families to qualify for school financial support for the 2019/2020 School Year (2018 calendar year church contributions) will be *\$400 per child or *\$600 per family. To place in perspective, a \$600 annual contribution equates to less than \$1.65 per day.

God Bless You,

***Anyone who feel that they should be considered for school financial support but are unable to meet these minimum levels are invited to speak with me personally.**

THE ST. CHRISTOPHER EXTENDED CARE PROGRAM

Open from 7 AM until 6 PM each school day, the Extended Care Program provides professional care, supervision, recreation and enrichment activities. It serves working families who desire both parochial school education and supplementary day care in a Christian environment for children enrolled at St. Christopher School.

This professionally operated program allows children to experience a rich diversity of growth activities within a Catholic environment; activities planned to complement the philosophy and value systems of the school and family. Supervised homework, games and recreation, and snack time are just a few of the growth activities planned.

Within a large family environment, the program strives to provide individual attention, security, consistency and fair treatment for children of working parents.

The Extended Program is staffed by an experienced Director and a number of devoted and committed teachers/teacher-aides. These people, employed on a full-time or part-time basis, work together to help each child grow in maturity and self-respect, as well as to maintain an atmosphere wherein respect and understanding for others is realized.

Fees are the sole support of the St. Christopher Extended Care Program. It is not subsidized by the school or the parish.
