Section 1: Service has always been a part of being Catholic. Jesus set the example for us, and the apostles and other disciples immediately followed his example. Why is service so important to a Catholic's spiritual life? Why is putting what you believe into action away of making your beliefs real? What do you believe? What do you do to make that belief real?

Section 2: We are all created in the likeness and image of God, therefore Catholics are challenged to live in a society that respects all people. Dream for little bit. What could happen if everyone were given respect and honor?
