

OLSS Science Fair

Congratulations to ALL the participants of the Our Lady Star of the Sea Science Fair on a job well done! The quality of the science work and the poise shown with presentation improve every year. Special congratulations to the high point scorers, as determined through the point system rubric recommended by The National Science Teachers Association. Kudos and thanks to all the family members of OLSS students who support their students, the teachers, and our school in every endeavor. It is this amazing partnership that in fact makes our school so special!

The three highest scoring individuals or teams per grade level are:

5th Grade: Sean Gilbert and Justin Stassi
Kayla Rugg and Isabella Sorrentino
Stella Conte

6th Grade: Gianna Riggio, Nicolette Romano, Annalisa
Theurer, and Andrea Willis
