Dear Parents,

It is hard to believe that your child is going to enter kindergarten next year. Your child has excelled, blossomed and grown with reading, writing, and social skills. What a joy to watch! I invite you to think about Holy Name Catholic School for your child's elementary school and ultimately junior high school.

As you know, Holy Name is an excellent Catholic school with a proven curriculum. It is an outstanding faith filled environment, providing a safe, inviting experience for every child. The journey of our students throughout the day is evidence of the vitality of our campus. From the art, music/band, technology to the strong mathematics, reading, language arts, science, and social studies curriculum, from the classrooms to the playing fields and extra-curricular activities, the Holy Name student is always discovering, always engaged, always learning and always loved. The faculty and staff — a dedicated group, who are state certified and highly qualified, work closely with each child. These teachers view teaching children not as a job, but as a mission.

To that end, we want to make Catholic school available for every family that wants their child to have a faith filled education. Children from all religious backgrounds are welcome at HCNS and aid is available including DFS assistance for prekindergarten. Our kindergarteners attend a full day of school starting at 8:00 a.m. and ending at 3:00 p.m. Afterschool care is available until 5:30 p.m.
