

ROBOTICS CLUB

For 5th-8th
grades

The Club meets about twice a month on Wednesdays from 3:00-4:00. Meeting dates are on the school calendar.

Students will rotate through using each of the robots and will learn a bit about coding along the way.

If you are interested in joining the Robotics Club, have a parent fill out the bottom of this form and return it and a \$10 cash club fee to Mrs. Stout, Room 35. Spots are FIRST COME, FIRST SERVED for those who return both the filled out form and cash fee.

Club members will be required to download certain apps on their iPad and set up an account on code.org once membership is approved.

A tab on Mrs. Stout's website is dedicated to Robotics Club information.
