Prayer For The Sick

In times of emotional or physical hardship, it's easy to feel hopeless — but, as the bible says, "with God all things are possible." Following is a prayer for healing when you (or a loved one) are struggling through everyday trials or life-altering challenges.

I Believe

Dear God, I know that the first step in all spiritual healing is to believe.

I believe!

I open my mind and heart believing in your infinite power and possibility.

I believe that healing is a dynamic and reachable experience, a reality that can be experienced right now.

I maintain a patient and loving attitude, for I believe that your healing activity is now at work in my mind and body.

I look forward, with joyful expectation, to the perfect wholeness that you are now bringing into manifestation through me.

I believe in your constant expression of perfect good in and through me. I rest in the certainty of your healing power. I know that with you all things are possible.

Amen.
