

Dear Parents and Students,

This summer we are asking students going to grades 2nd-8th to choose two books to read. These books should be within the student's ZPD range as calculated from his or her last STAR reading test. This range can be found on the attached report. Students should be ready to AR test on both book choices upon return to school. An early testing date may be set before school starts and will be emailed when decided.

Students should choose books that interest them. **STUDENTS ENTERING GRADES 4TH-8TH MUST READ CHAPTER BOOKS.** The following website can be used to determine the book's reading level to see if it falls within the student's ZPD: arbookfind.com.

If you have any questions about the summer reading instructions or the STAR reading report, please contact Alison Lemann at alison.lemann@acbulldogs.org.

Please have a fun, relaxing and safe summer. We can't wait to see everyone in August.
