

New Orleans Area Habitat for Humanity's *Unity Build*

As people of faith, we work so hard to build unity within our own congregations. Imagine what we could accomplish by coming together with faith groups around the city.

New Orleans Area Habitat for Humanity's **Unity Build** offers people of all faiths and traditions the chance to come together and build a new home for—and with—a hard-working New Orleans family. In Fall 2017, volunteers from 11 local congregations built a new home in just 13 work days.

In 2019, NOAHH will welcome faith partners to build in either New Orleans East or the Lower Ninth Ward, both of which were devastated in Katrina and are still very much in recovery.

Volunteers will gain a deeper understanding of the importance of affordable housing in our community.
