

## Midterm Exam Schedule and Suggestions

\*With the Cumulative Tests on Tuesday and the MAP testing involving much time throughout the week, the students need to take more responsibility for their exam preparation.

### Tentative Schedule for January

- Monday, January 7<sup>th</sup> – MAP Testing for Grades 6 and 7, Grade 8 celebrates Christmas with Grade 1 in the afternoon! Festive Dressing for Grade 8
- Tuesday, January 8<sup>th</sup> – Touring Tuesday in the morning for Grade 8 Guides – Cumulative Math Tests for Grade 6 and 7 in the morning and Grade 8 in the afternoon.
- Wednesday, January 9<sup>th</sup> – MAP Testing for Grades 6 and 7 and possible afternoon MAP test for Grade 8(?)
- Thursday, January 10<sup>th</sup> – MAP Testing for Grade 6 and 7
- Friday, January 11<sup>th</sup> – MAP Testing for Grade 8
- Monday, January 14<sup>th</sup> – MAP Testing for Grade 8
- Tuesday, January 15<sup>th</sup> – MAP Testing for Grade 8 if one was not completed on January 9<sup>th</sup>
- Wednesday, January 16<sup>th</sup> – Midterm Math Exam for Grade 6
- Thursday, January 17<sup>th</sup> – Midterm Math Exam for Grades 7 and 8, including Math 9
- Friday, January 18<sup>th</sup> – Literature Exam for Grades 6, 7, and 8 – *Annie's Baby* must be completed by this day! For Grade 8, two other **Readworks** assignments, one fiction and one nonfiction can be given any day as they do not really require any study effort!
- Tuesday, January 22<sup>nd</sup> – ELA Exam for Grades 6, 7, and 8 [e.g. Grammar, Spelling]
- Wednesday, January 23<sup>rd</sup> – Science Exam for Grades 6, 7, and 8

### Math 7

Tuesday, January 8<sup>th</sup> – Review directions from Topic 1, pages 7-79 in the Pearson Envision Math Book and Lessons 8-15 in the Sadlier Workbook

Wednesday, January 9<sup>th</sup> – Review directions from Topic 2, pages 85-131 in the Pearson Envision Math Book and Lessons 1-6 in the Sadlier Workbook

Thursday, January 10<sup>th</sup> – Review directions from Topic 3, pages 137-183 in the Pearson Envision Math Book and Lesson 7 in the Sadlier Workbook

Friday, January 11<sup>th</sup> – Review directions from Topic 4, pages 189-206 in the Pearson Envision Math Book and any supplemental notes I have given on these topics in Class

### Math 8

Tuesday, January 8<sup>th</sup> – Review directions from Topic 1, pages 7-79 in the Pearson Envision Math Book and Lessons 1, 2, 8, and 9 in the Sadlier Workbook

Wednesday, January 9<sup>th</sup> – Review directions from Topic 2, pages 85-153 in the Pearson Envision Math Book and Lessons 3-7 and 10-13 in the Sadlier Workbook

Thursday, January 10<sup>th</sup> – Review directions from Topic 3, pages 159-205 in the Pearson Envision Math Book and Lessons 16-22 in the Sadlier Workbook

Friday, January 11<sup>th</sup> – Review directions from Topic 4, pages 211-230 in the Pearson Envision Math Book and Lessons 37-39 in the Sadlier Workbook

### Math 9

Tuesday, January 8<sup>th</sup> – Review directions from topics 1 – 12 from the Cumulative Test Project

Wednesday, January 9<sup>th</sup> – Review directions from topics 13 – 24 from the Cumulative Test Project

Thursday, January 10<sup>th</sup> – Review directions from topics 25 – 36 from the Cumulative Test Project

Friday, January 11<sup>th</sup> – Review directions from topics 37 – 45 and the last few topics reviewed including ratio and proportion and direct and inverse variation

Religion 8 will cover Chapters 1 – 6 , Advent , Christmas in the textbook and all the supplementary notes I have given.

Literature 8 will include comprehension questions on *Annie's Baby* that must be answered, including specific details from the text to support any general statements.

The essay will require the students to relate the main ideas from *Annie's Baby* to the themes we have discussed in religion class!
