1. Eight players (large teams) or six players (small teams) should be on the court at all times. With three hours to rest between each court appearance, no student should have problems playing his/her share of the time.
2. **Teams are asked to be at the court at least ten minutes before a scheduled playing period.**
3. **The pace of the game is slow!** Once a defensive rebound has been grabbed, the other team **MUST** fall back into a zone defense. **NO PRESS** or **FAST BREAK** is necessary because the sole purpose of the game is to raise money for the cause!
