September 2019

Dear Parents, Students, Faculty and Staff,

Welcome back to school to each and every one of you! This new academic year, 2019-2020 brings new and exciting beginnings for our beloved school.

Last year, the parish had purchased Chrome Books for the use of the school and Religious Ed Programs. We, also, had a fundraiser for and purchased 3D Printers for this year, which I am proudly able to announce, will be ready for use this year. This will enable our children the ability to use technology productively and wisely. We strive to better ourselves and the school every year. My hope is that, we start this year with a renewed mind of renewal and learning. I also, would like to take this opportunity to welcome our new students and families to our parish and school. *If you have not done so, please visit the rectory office to register for the parish and parish mailing. This will allow you to be updated regarding events and the like within the parish of Holy Trinity.*

June of 2020 will begin the year long festivities for the parish's centennial (100 years). As one parish community, church and school, all will be participating in the events that will lead up to June 2021; ore information to follow.

I would like to thank Mr. Don Galetto, Facilities Manager for the parish, Andrew Heaton and the other part time workers, who have been so diligent in getting the school ready for this new academic year. Special thanks to Dario Maranon who has unceasingly maintained the school and church for many years. All their due diligence is greatly shown throughout the Church and School of Holy Trinity. Thank you so very much!

Let us continue to work together and develop within each one of us those talents that God gives to us. Each of us has specific gifts/talents in life and in education whether it is in math, science, art, music, history, business or a combination of things.

Our Catholic faith, however, is an area that each of us must grow and continue to grow. We have a duty and responsibility to learn about God the Father and Jesus Christ our Lord and Savior. We are called Catholic Christians because we are followers of Christ and in the Catholic Church. Jesus gives us the sacraments. The one sacrament that is most dear to us as a Catholic is the Eucharist- the Body, Blood, Soul and Divinity of Jesus Christ. It is really and truly Christ Himself! For those who are not Catholic, we welcome you into lives and our hearts because we are all created in the image and likeness of our Heavenly Father and because of that Jesus teaches us to be respectful to one another and cherish one another. That is what it means to be a Catholic Christian, to bring Jesus to all.

May this new academic year be for all a time to grow in love, charity and service to each other and in God the Father, and the Son our Lord Jesus Christ and the Holy Spirit. May our Blessed Mother Mary, guide us in humility, patience, peace and lead us to her Son, Jesus Christ our Lord. Please know that I am here for you all.

May I remain faithfully in Christ,

A handwritten signature in black ink, appearing to read "Rev. Fr. Anthony Mizzi-Gili, Jr." with a stylized flourish at the end.
