Mrs. Kathleen Spina,
Principal of Holy Trinity School*

Welcome Back:

Welcome to Holy Trinity's 2019-2020 school year!

Back to School night was September 10th and what an informative night it was. If you did not have the opportunity to join us please contact your child's teacher to collect the information you may have missed.

Safety Rules:

Thank you for following our drop off and pickup procedures. The morning and afternoons have been running smoothly. School drop off is from 7:50AM to 8:10AM. Pickup is from 2:50PM to 3:00PM. Please try not to pick your child up early, your teachers teach till 2:45PM, children who leave early not only disturb the class, but also miss valuable information. Thank you in advance for your cooperation.

Student Council:

Our 5th through 8th grade students will be asked to consider running for Holy Trinity School's Student Council. This is a very important role in our school. The Student Council serves as a liaison between, student body and our school community. They also represent Holy Trinity School during special events. Please encourage your children to be part of our Student Council.

Home School Association:

This week we have been collecting nomination ballots for our HSA Officers. The names of our nominated parents went home today. Please vote for your HSA board members, and return your ballot by Wednesday, September 18, 2019. This is an exciting time for Holy Trinity School. 2019-2020 it will be a fresh start to a wonderful new year.

I am honored to serve as the principal at Holy Trinity School. It is truly a privilege to be part of a community who strives to help our students become positive role models.

Dear Parents,

We are pleased to announce that Ms. Alexa Accardi, a Licensed Mental Health Counselor from ADAPP, will be providing prevention services to our school for this school year. ADAPP is the school-based student assistance program within the Department of Education of the Archdiocese of New York. Our school is very fortunate to have a counselor and the service.

The ADAPP counselor will be available one day per week. Primarily, services include life skills education and discussion groups. Some students may be seen for an assessment for three sessions. If counseling is recommended, parents will be notified. The ADAPP counselor will work closely with the school principal and teachers and is available to meet with parents to address any questions or concerns.

The counselor will be introduced to you at a future meeting.

If you have any questions, please feel free to contact me.

Sincerely,

Kathleen Spina
