### *From Father Mike*

This weekend we are celebrating the Most Holy Body and Blood of Christ. We also use the word "Eucharist" as it refers to not only the specific Body and Blood of Christ we receive during Mass but also the whole Mass as well. Furthermore, this celebration reminds us that we, who are members of Christ's Body, are another aspect of the Blessed Sacrament because we carry the presence of Jesus here on earth. As part of the church, we continue the proclamation of the gospel and the ministry of Christ's healing, forgiveness, and outreach. As members of this parish and of our Local Church (another name for our diocese), it is a time of great anticipation as we will have the chance to see the draft of the Uniting in Heart 2030 Pastoral Plan and offer our feedback this coming week. I highly encourage you to continue to visit <https://dol-in.org/uniting-in-heart> for the latest information. While I am certain we all will be invited to make some changes, we have today's gospel to give us the proper perspective on the opportunities this plan will offer us. Just as the disciples were asked to entrust what little of what they had to Jesus in order to feed the people, so we have the same confidence that when we entrust our lives over to Christ that he will multiply and make fruitful our efforts on behalf of his kingdom. So with a spirit of eager hopefulness, let us continue to pray for the guidance of the Holy Spirit to help us to better hear and follow the voice of our Good Shepherd.
