

St. Matthew 25 Care & Share Soup Kitchen

Issue # 21 May 2016

FOR I WAS HUNGRY AND GAVE ME FOOD. I WAS THIRSTY AND YOU GAVE ME DRINK. Matthew 25:35

May 29, 2016

Dear Soup Kitchen Supporters & Benefactors,

As you know from our last newsletter we were faced with replacing our grease trap (interceptor). We asked our loyal contributors to help offset the cost of a new grease trap.

Through your generous monetary donations we were able to replace the steel galvanized tray with a new polyurethane grease trap which should last us for a long time.

This project could not have been achieved without each of our generous contributors. Thank you so for much in keeping St. Matthew 25 Care & Share Soup Kitchen operating and continuing in our mission in feeding the hungry. The pictures below shows the progression of the installation steps.

Sincerely,

Stephen M. Schilling

(St. Matthew 25 Manager)
