## Life Teen Night and EDGE

It is the goal of this youth ministry program to roll out a new initiative for our parish in the upcoming Catechetical year. Our goal is to bring Life Teen and EDGE to our program. To make this possible, we need individuals who understand that the youth are our future to help prepare them for their future responsibilities. Without the present Church taking time to help guide them, they will be left to struggle on their own.

Over the course of the next several weeks, the present members of the Life Teen and EDGE Core will be extending personal invitations to some of you, our parishioners, to consider giving your time and talents.

All we ask is that before you offer a response, whether in the affirmative or in the opposite, that you give it some true prayer and discernment. We cannot allow the lack of adult volunteers be the reason we do not allow our youth to grow stronger in their faith.

**LIFE TEEN/EDGE CORE MEETING DATE CHANGED TO AUGUST 1<sup>st</sup> @ 6:30 p.m.**
