DIVINE MERCY AND PRO-LIFE: Pope Saint John Paul II declared the Sunday after Easter to be Divine Mercy Sunday. Many of the faithful pray the Chaplet of Divine Mercy regularly. There is a link between this devotion and the pro-life movement. Fr. Seraphim Michalenko, MIC, who was a principal translator of St. Faustina's diary, and the postulator of her cause of canonization, writes the following: "On at least three occasions, from 8:00-11:00 in the evening, she felt like her insides were being torn apart. She suffered so much that she thought she was going to die. The doctors couldn't figure out what was ailing her, and no medication was able to alleviate her sufferings. Later, she was given to understand that she was undergoing those pains for mothers who were aborting their children (Diary, 1276). "On another occasion, she had a vision of an angel coming with thunderbolts to destroy one of the most beautiful cities of her country. And she felt powerless to do anything about it (Diary, 474). What antidote did the Lord give her? The Chaplet of Divine Mercy. [She explained] that the city was to be chastised for its sins, primarily the sin of abortion." ("Wombs of Mercy," Marian Helpers Bulletin, Summer 1995, p.13). Cited from USCCB

61ST GOD SHARE APPEAL MAY 5-6, 2018

This year's theme is "Your Every Act Should Be Done With Love."

1 Cor. 16:14. God challenges each one of us to take this opportunity to share and give what we have as a wonderful demonstration of our love for Him. The God's Share Appeal supports programs that are so important to our parish. We must understand that membership in the Catholic family involves sharing, a stewardship of our time, our talents and our personal resources. It is our duty to support our church. Your gift is important; your joining hands in unity with other Catholics in our diocese is necessary.

CONTINUE TO CELEBRATE EASTER

While the Vigil marks the end of the paschal fast, the end of the celebration of Holy Week, and the end of repentance and conversion for which Lent prepared the community, it is much more a beginning. It is the beginning of a new season of grace and a time of joy and thanksgiving, for Easter is not one day or one solemnity—it is a fifty day celebration from Easter Sunday to Pentecost Sunday.

HOSPITAL VISITATIONS FROM PASTORS

Due to state regulations concerned with a person's privacy, the burden is now placed on each individual person admitted into the hospital. When admitted into the hospital, please be sure you have indicated that you are a Catholic and that you are from a specific parish. The hospital allows the pastor to only see names from a particular parish. If no parish is indicated, pastors will be unaware that you are in the hospital. Visiting the sick is one of the corporal works of mercy, a command by Jesus. By informing others of your hospitalization, you allow others to follow Christ

PARENTING POINTERS: Grandparents have access to history that can thrill and surprise their grandchildren. They can tell stories about how life used to be and shed some light on how the child's parent was a generation ago. They are the keepers of tradition. Don't lose the wisdom. Con-
