Pastoral Plan News

Winter Closings

St. Joseph's Parish and St. Louis of France Parish will be closed physically for the winter months of 2017-2018. From October 1 to May 1 there will not be any sacraments scheduled in these churches. This decision was made by the pastoral and finance councils, trustees, parish staff and bishop. Fr. Adrian regrets this decision however the financial security of other parishes would definitely be affected should we not close. Both parishes will be reopened again on May 1st.

St. Ann Restoration / Renovation

We have begun to do research and attain specific information on the scope of this project. Several individuals, because of their work and talent, have been invited to advise and consider being a part of this restoration. They met this past week and have formulated several ideas for the church. There are some things which need immediate attention and others which would be timely to address. Please stay tuned and when we have more information we will pass it on.
