Thank You

We are very grateful to all who came to the Parish Annual Harvest Dinner. We, as a parish, owe a great debt of gratitude for the many hands which made the event happen. Greg & Jack Sample, Sue Roberts, Sue Anctil, Mike Roberts, The Ladies of St. Ann, Deacon Dennis, Mary and Ann Marie in the offices, Jeff Menard and his extended family, Larry and Diane Wolff, Peterbilt for the use of their refrigerated trailer... We worked very hard and made \$1,700.00. In the next year we will have to re-examine if this event is worth all the work.

St. Ann Restoration / Renovation

We have begun to do research and attain specific information on the scope of this project. Several individuals, because of their work and talent, have been invited to advise and consider being a part of this restoration. They met this past week and have formulated several ideas for the church. There are some things which need immediate attention and others which would be timely to address. Please stay tuned and when we have more information we will pass it on.

NEW PARISH WEBSITE IS POSTED

With the work of many, a new parish website has been put together in an effort to assist four parish communities keep track of what is going on and to have access to information concerning their parish. Please find it online at: **annandangels.org** If anyone is interested in assisting helping to maintain or helping to post items on this new site let Deacon Dennis know.
