Pastoral Plan News

St. Ann Restoration / Renovation

We have begun to do research and attain specific information on the scope of this project. Several individuals, because of their work and talent, have been invited to advise and consider being a part of this restoration. They met this past week and have formulated several ideas for the church. There are some things which need immediate attention and others which would be timely to address. Please stay tuned and when we have more information we will pass it on.

Sincere Gratitude

Fr. Gallagher and Deacon Monty would like to congratulate and sincerely thank Ryan Blondo and all the companies of choirs, instrumentalists, spaghetti dinner makers, and parish hall caterers for the wonderful success of the "Raise the Roof" dinner and concert. We are very proud of the fact that each of you were generous enough to give of your time and talents so selflessly so that the parish could benefit from your efforts. Happily we made \$2,862.67 toward the roof project! Thanks again and know that you provided an exceptional evening of food and entertainment for all who came.
