News in our Parishes:

Parish Calendar:

Boars Head Festival and Dinner Meeting: Wednesday, Nov. 7th, 6PM in Holy Angels Hall.

Religious Education News: Class #5 will be held Sunday, November 4th immediately following the 10AM Mass at Holy Angels Church. Please note: St. Ann's and Holy Angels have withdrawn from the "release time" schedule of classes held in Ellenburg. In previous years our programs were combined. That program is now exclusive to the parishioner of St. Edmund's church. Because Fr. Adrian wants to build the community of Holy Angels and St. Ann's parishes our parishioners are asked to participate in our program. **Boar's Head dance rehearsal #1 immediately following class on the 4th.**

St. Ann's Renovation News: This week has been a busy one. We have worked two days, on Tuesday and Friday, and in doing so have made some important progress with radiator relocation etc. In moving things around we unfortunately have come across some asbestos in the basement of the church which was original to the building and used for insulation on pipes for the heating system. This will need to be removed and will add significantly to the cost of our renovations. Once we know more about that we will inform you. We also found some weakened joists supporting the floor of the church and will tend to those as we can.

Harvest Dinner News:

We are proud to announce that our efforts in the Harvest Dinner brought in \$7,000.00. There were over 900 tickets sold! Sandy Lambert, Joanne and Jeff Menard, the kitchen crew, the dining room crew, the desert ladies, the ticket sellers, those in the take out room, the cleanup crew, grandsons and daughters who were volunteered and on and on.....thank you to all who

Keep the Great Commandment!

Honoring God and loving one another isn't a major theme in local, national or international thinking. Does this make the directives to God a private matter? This wasn't 'God's intention. "Go and tell all nations" of your faith in God and how it affects others. These recent years have increasingly become years of deeper division, political dissention and even outright meanness to one another. Let us be honest about who we are called to be and that this call isn't a private one but a very public one by example, by necessity and by God's design.
