

Dear Grandparents,

We are pleased to announce the formation of our new Grandparents' Club at St. Dominic School and we are looking forward to an exciting 2018-2019 school year! Given that this is a brand-new club, you will have plenty of opportunities to get involved and get in on the ground floor.

As grandparents, please know that you are highly prized by the community here. We know how much our students love their grandparents, and the teachers and staff love you too! We have created this club because we have heard from many grandparents who want to express their deep love and concern for their grandchildren through greater involvement with St. Dominic School.

Being a member of the St. Dominic Grandparents' Club means you will be invited to club meetings, events, Masses, service projects, and fundraisers. We will share with you updates on what's happening around school and stories about what the students are busy doing. We will also let you know about the many opportunities to get involved and volunteer, should you be interested.

Please fill out the enclosed form to become a member and return to the school office by **Friday, August 31, 2018!**

"Grandchildren are the crown of the aged, and the glory of children is their fathers."
— Proverbs 17:6
