Dear School Administrator:

To assist with the cost of Catholic education, the Louisiana State Council of the Knights of Columbus has a new program called the "Catholic School Tuition Lottery Program." This free program helps pay for a child's Catholic school tuition.

Members of the Knights of Columbus having children in a Catholic school (from Pre-K to 12 grade) are eligible to enroll their children in this free lottery. Non-members can become eligible for the lottery by joining the Knights of Columbus (assuming they are at least 18 years old, male and Catholic). Thus, this program is only open to members of the Knights of Columbus.

Each quarter we will randomly draw the names of four students, and if selected, we will directly pay their school \$500 towards the child's tuition. The entry form stays in the pool of applicants, thereby providing the chance for the child's name to be drawn more than once!

Please share this wonderful opportunity with your students and their parents. For details and entry forms, please visit: <http://louisianakc.org/programs/youth/tuitionlottery.pdf>

For more information about this program or how someone can join the Knights of Columbus, please contact me at (225) 939-2980 or at Dcforbes1@cox.net.

The Knights of Columbus is the world's largest Catholic fraternal service organization with nearly 2 million members worldwide. We are dedicated to the principles of Charity, Unity, Fraternity, and Patriotism, and we support the Church, our parish, community, family, and youth.

We hope you will support and promote this fantastic program and help parents cover the costs of their child's Catholic education.

Sincerely,
Delmas Forbes, Jr.
