LEGO Engineers!

This class will get students working with LEGO®s while teaching a variety of engineering topics. Children will learn organizational and fine motor skills, as well as teamwork and other life strategies! This course will help students discover gears, pulleys and more!

LEGO- Star Wars Jedi Storytellers-

This class will bring your child's imagination to life. Students will use LEGO®s to learn about the art of storytelling in a hands-on, creative environment. Children will learn about the different parts of a story, working with a team, public speaking and more!

On the last day of each session child will receive a LEGO® gift along with a certification of participation.
