

# Give Back With Us After School

## *What does your child like to do?*

Arts, crafting, science, cooking, hands-on projects?

## **Little Villagers has it all! And the best part?**

Everything your child makes in our class supports a cause!

From helping feed those experiencing homelessness to brightening a senior's day with a thoughtful gift, to supporting rescue animals with useful items, our projects give kids the opportunity to make a difference in our communities while learning valuable skills. Each week we support a new cause with a new activity.

### **EMPOWERING**

**We can do it!** While helping others, our students gain confidence in their own abilities and talents. By taking the lead role in our hands-on activities, they own their contributions.

### **EDUCATIONAL**

**We are always learning!** Students enhance their emotional intelligence, empathy and awareness of the needs in our community while developing various practical life skills.

### **FUN**

**We have a great time!** Whatever the activity may be, we always bring the fun. Each activity is designed to foster a love of giving back and to encourage lifelong volunteerism.

## **Enrollment Information**

**Open to:**  
TK - 8th Grade

**Day and Time:**  
Mondays, 3-4pm

### **Session Details**

4 weeks  
Sept 23, 30; Oct 7, 21  
**\$92**
