As we return to Ordinary Time, we begin with one of the core beliefs of our faith—the Feast of the Holy Trinity. We believe that over the centuries God revealed Himself to us in three ways—God the Father and Creator, Jesus the Son who walked among us, and the Holy Spirit who dwells within us and drives us. While there is one God, nonetheless, He revealed Himself to us as three persons. We really do not understand the Trinity; however, our faith tells us this. Our hope is that we will comprehend this mystery in eternity. But, at this time, we believe in the Trinity and see that this belief makes us who we are and causes us to live as we do and to practice our faith. Have a joyful Ordinary Time!
