Sacrament of Reconciliation: One half hour before each weekend Mass or anytime by appointment

“After Jesus...had fed the people, He made the disciples get into a boat and precede Him to the other side, while He dismissed the crowds.” Following that Jesus went off to pray. Apparently a storm came up and the boat was being tossed about. Jesus came walking on the water. The disciples were terrified and cried out: “It is a ghost!” But, Jesus replied, “Take courage, it is I; do not be afraid.” Then Jesus invited Peter to come and walk toward Him. Peter began to second guess himself and began to sink. Jesus reached out His hand and saved Peter and said to him, “Oh you of little faith, why did you doubt it?” Are we like Peter at times? Do we strike out to do something and begin with gusto? Perhaps we then begin to doubt and lose faith. Does this happen in our business? In a relationship? In a project? We need to trust in the Lord and put our faith in Him and pray and trust that He will lead us through. This is what our students and teachers need to do as they embark a new school year. Continued Summer Blessings!
