Jimmy Corkle for transporting the aluminum cans to O'Neill and Paul Seger for paying the expense. Stuart will no longer be recycling cans. The Stuart people are encouraged to place their cans in the horse trailer behind the brick wall @ St. Joes. Recent profit from cans was \$276.00. Our school appreciates all who recycle!

The Altar Society...will once again be collecting infant items to be given to Beginnings Pregnancy Resource Center in O'Neill. Items needed are: diapers, blankets, clothing, bottles, pacifiers, lotion, etc. In the vestibule of the church you'll notice the bassinet. This collection will run from now until Dec. 22.

All Parishioners...are invited to the breakfast **this morning** being served by the school families @ the KC Hall.

The 2018 Church Support Envelopes...are ready to be picked up. You'll find them in the back pew on each side. Many of you have new numbers, so it'd be wise **not** to use 2017 envelopes in the new year. Each family can take a calendar as well, compliments of SJ Altar Society.
