***Recitals are a great way to show off all our dancers' hard work for the year!***

***Winter Recital-*** In class performance (at your child's regularly scheduled dance class time)

***Spring Recital-*** At an outside venue (typically a Saturday) costumes required. We schedule our recitals to be time efficient as to not take your whole day. They typically run about 30 minutes- each class does 3 dances and is on stage for about 10 minutes.
